TO BENEFIT

In 1827, the Leesburg Volunteer Fire Company (LVFC) was established to protect Leesburg residents and their property from fire and disaster. Over the years, LVFC, as it has become known, has provided service to over 50,000 residents, making over 2,000 calls in 2008.

LVFC needs your generous donations to keep up with the ever growing need for support from community. Equipment always needs to be updated; membership will grow as demand increases, as will the need for gear to protect them. We fund these needs through your generous contributions. The funds we raise from this tournament will go to pay for new equipment and gear.

We would like to take this opportunity to say Thank You for supporting the efforts of the Leesburg Volunteer Fire Company. We hope to see you at the tournament!
